A Message From Our President

Welcome to our 2014 Christmas Show, and to the beautiful Moores Opera House. Thank you for making us part of your holiday season.

This has been a very good year for the Tidelanders. After a strong Top-20 showing at the Barbershop Harmony Society's international contest in Las Vegas in July, The Tidelanders won our 5-state district contest in October. We are once again the Southwestern District Chorus Champions. Congratulations, guys!

The Tidelanders are very lucky to have Greg Caetano as our new Musical Director. Greg brings a wealth of skills in music, organization and leadership, from both the barbershop and corporate worlds. Greg is building on the progress we made under Vickie Dennis and Roy Prichard, and he is challenging us to improve. I think you'll appreciate what you see and hear on the stage today.

We're proud that we've reinvigorated our "Youth In Harmony" program. We conducted two day-long choral workshops for Houston area school districts' boys choirs. We also were invited to just come and sing for two other districts' choir programs and their supporters, just to show them how much fun adults can have while singing. Those opportunities are hard to pass up! Add in our normal schedule of Good Time Shows and other public performances, and we meet our goal of sharing our love of barbershop harmony with our community.

You'll notice new faces on the stage again this year. We're excited that we're attracting new singers, and we have room for more. We invite any men who think they might like to sing to be our guest at a Monday night rehearsal.

Finally, the Tidelanders thank you for your continued support. If you enjoy today's performance, we hope that you'll come again, and tell your friends about us. We're doing our best to move beyond being one of the "best kept secrets" in Houston.

Again, thank you for kicking off your holiday season with the Tidelanders. Merry Christmas and Happy New Year!

Pete Hasbrook, 2014 President, *Houston Tidelanders Chorus*

Musical Director

Greg Caetano, Musical Director
Houston Tidelanders Chorus

Greg Caetano holds a lifetime membership in the Barbershop Harmony Society (BHS) and has been involved as a member in Barbershop choruses since 1986. A second generation barbershopper of a Sweet Adeline, Greg is currently certified as a Presentation Judge in the BHS Contest and Judging community, and was previously certified as an Interpretation Judge.

Greg has previously served as a Director in two BHS choruses (Concord, MA and Northbrook, IL) and a women's chorus (Hudson, MA) in Harmony Incorporated. As an assistant director and presentation coach, Greg has won three International Medals with the Northbrook, IL New Tradition Chorus.

Greg has held many jobs in various barbershop chapters and BHS committees such as director, assistant director, section leader, choreographer, presentation coach, Chapter president, music vice-president, program vice-president, show team coordinator, District President, President of the Northeastern District Chorus Directors Association, Chapter Officer Trainer (COTS) for Music and Performance and BHS Society Board Member. He is currently serving on the BHS Society Board nominating committee until the end of 2015.

Greg joined the Tidelanders in April 2012 as a result of a work relocation for career advancement. Shortly after joining the Tidelanders, he became a member of the music committee and lead section leader. Greg served as the Chapter Music VP for 2013-2014 until his appointment as Director.

Greg holds a BS in Computer Systems Engineering from the University of Massachusetts in Amherst and has been employed by Hewlett-Packard Company since 1988; currently as a Systems Solution Engineer Master Architect specializing in virtualization and Linux technologies.

Happy Holidays
