

## THE WAY YOU LOOK TONIGHT

Your glowing smile was meant to be, your tender words are

just for me. A smile so warm, a breathless charm;

What more could there be?

And someday when I'm awfully low, when the world is

cold, I will feel a glow, just thinking of you, and the way

you look tonight (tonight).

Oh, but you're lovely with your smile so warm,

and your cheeks so soft. There is nothing for me but to

love you, just the way you look tonight (look tonight).

With each word your tenderness grows, tearing my fear

apart (apart). And that laugh that wrinkles your

nose touches my foolish heart (my heart).

Lovely (so lovely) Never, ever change, keep that

breathless charm. Won't you please arrange it,

'cause I love (I love) you, just the way you look

tonight (oh yes, tonight). Just the way you look

tonight (oh, how you look) tonight.
