***Performance Notes***

This overlay may be sung by a quartet, double quartet or chorus. But before they sing it have the audience or another group sing "America The Beautiful" by themselves, preferably in unison but could be done with simple harmonies. Then present the "America The Beautiful Overlay" alone. Lastly, put both groups together for a climactic finish which includes the Tag and the split to parts on "America The Beautiful," if female voices are carrying that part.

If there are one, two or three high sopranos, they may be assigned a high B $\flat$  on the ending (not shown).
